### Professional Experience

#### CA at the Maker Lab | OCAD U Toronto | 01/19 - 03/20

Trained and assisted students and faculty on various rapid prototyping tools and techniques. Daily maintenance and troubleshooting of woodworking machines, 3D printers, laser cutters, and electronics station.

#### Design Consultant | DarkMatter Abu Dhabi | 02/16 - 02/18

Provided art direction to a team of nine designers. Designed and directed client's mobile and web applications. Managed all productions processes and digital printing press.

#### Senior Graphic Designer | CyberPoint Abu Dhabi | 09/12 - 01/16

Hired, trained and managed a group of junior graphic designers. Developed templates design, product design, collaterals design, and infographics.

#### Graphic Designer | Lime Abu Dhabi | 06/11 - 09/12

Designed and developed the company's brand and all collaterals design. Designed complex high-level executive reports, infographics, presentations, wall charts and user-interface.

#### Bilingual Graphic Designer | Endpoint Doha | 01/11 - 06/11

Rollout Hamad Medical Corporation's new brand over the entire organization's internal and external communications. Redesigned all patient-facing artworks, forms, brochures, etc.

#### Graphic Designer | Phi Communications Riyadh | 09/10 - 01/11

As a junior designer I was responsible for logo design, brand development, layout design, collaterals development, typography and calligraphy.
